Join UCFS Today!

The Urban and Community Forestry Society (UCFS) is dedicated to supporting the people who make or support daily tree planting and care decisions. Our organization is committed to education and professional development for urban and community foresters and advocacy for the urban forestry profession.

Your Seat At The Table

As a member of UCFS, you get a seat at the table for some of the biggest urban forestry and tree issues of our time. UCFS members are the premier urban foresters, community foresters, and municipal arborists in the world, and we'll make sure your voice is heard.

City Trees

Your membership supports the bi-monthly publication of *City Trees*, our renowned publication full of profiles, case studies, research, and more that makes your job easier.

Member-Only Opportunities

As a member, you can participate in the Arborist Exchange and Mentoring Programs, receive discounted registration to the Municipal Forestry Institute, our annual UCFS conference, professional education classes, and much more!
